PW Career Services Policy

CHAPTER 1: Introduction and General Provisions

1.1 Aim of the Policy

The policy aims to:

- **Inform** learners about the terms, processes, and procedures of career services provided by PW.
- **Monitor** the expected conduct of learners throughout these processes.
- **Define** provisions, procedures, and processes for accepting job/internship offers.

1.2 Applicability of the Policy

- This policy applies to all learners enrolled in PW's career services programs.
- It remains applicable until **three months after completion** of their respective batches.
- Only learners who **meet the course completion requirements** will be eligible.

1.3 Disclaimer

- **Career Services is a facility** offered by PW Skills and **does not guarantee** job offers.
- PW Skills reserves the right to **modify the policy** as deemed appropriate.
- Learners **are not entitled** to any **fee refund/reimbursement**.
- English is a mandatory language, and all communication—including hiring drives, interviews, and career support—will be conducted strictly in English.

CHAPTER 2: Eligibility and Debarment of PW Learners

2.1 Eligibility of Learners

To qualify for job opportunities facilitated by PW, learners must meet the following criteria:

Criteria	**Non- Tech Learners**	**Tech Learners**
Education	Graduation and above	Graduation and above ***(B.Tech, B.E., BCA, MCA ONLY)***

2.2 Additional Eligibility Considerations

Career Gaps:

- Learners with a career gap of **more than 1 year** will not be eligible for placement opportunities.
- Learners with a gap of **up to 1 year** may be considered only if they provide **valid proof of productive engagement** (certifications, training, freelancing, volunteering, etc.), subject to verification.

Profile Relevance and Domain Shift:

- Learners transitioning to a **different domain** will be **assessed as freshers** for the target role.
- Eligibility, assessments, and opportunities will be aligned with **entry-level criteria**, regardless of prior experience in an unrelated field.
- **Compensation (CTC)** will follow **fresher benchmarks**.
- Current hiring trends largely follow an **Intern → PPO (Pre-Placement Offer)** model for early career opportunities.

Graduation Year / Experience Relevance:

- Placement opportunities may be **limited for learners with older graduation years**, especially without relevant domain experience.
- Most entry-level roles prefer candidates who have **graduated within the last 2–3 years**.
- Many opportunities may begin as **internships**, with stipends typically ranging from **₹10,000 – ₹25,000 per month**, depending on company policies.

Work-from-Home (WFH) Expectations:

- WFH opportunities are **subject to company requirements and role suitability**.
- **No assurance or commitment** regarding WFH roles should be made unless explicitly confirmed by the hiring company.

2.3 Registration Process

- A **dedicated Career Services Platform (CSP)** will be provided.
- Learners must complete **timely registration** to access career services.
- **Accurate information** must be provided, including:
    - Contact details
    - Previous qualifications
    - LinkedIn profile link
    - Study gap details

- Relevant links
- Employment history

2.4 Learner Contact Details & Communication

- **Learners should not change their contact details**, as they are shared with recruiters.
- PW is **not responsible** for communication issues due to unreachable phone numbers or emails.

2.5 Recruitment Process

The recruitment process includes multiple stages, such as:

- CV/Portfolio Shortlisting
- Online/Written Tests
- Interviews (Offline / Virtual)
- Group Discussions (GDs)

Types of Recruitment Drives:

- Online Placement Drive
- Offline Placement Drive
- Internship/Training Drive

Important Notes:

- Career opportunities **can be anywhere in India**; a **"jobs-in-my-city" approach is not entertained**.
- Learners **must travel at their own expense** for in-person hiring drives.
- Resumes must follow PW's provided templates.

2.6 Types of Offers

Offer Type	**Description**
Job Offer	Final selection through a placement drive.
Pre-Placement Offer (PPO)	Job offer made during/after an internship/training/project.
Internship Offer	Training/internship offer without guaranteed job placement.

2.7 Participation in Hiring Drives

- Learners **can participate** if they meet specific drive eligibility criteria.
- Learners must **complete all interview rounds** if shortlisted.
- **No rescheduling of interviews is allowed**.
- If you have applied to multiple companies and received an offer from the first one, the interview process with the other companies will be automatically discontinued.

2.8 One Learner - One Offer Policy

Criteria	Non-Tech Learners	Tech Learners
Post-Offer Eligibility	Once a learner secures a job offer, they are not eligible for further recruitment drives. Exceptions may apply on a case-by-case basis.	Once a learner secures a job offer, they are not eligible for further recruitment drives. Exceptions may apply on a case-by-case basis.
Maximum Limit	**Five interviews** OR one job offer → Removal from CSP	**Five interviews** OR one job offer → Removal from CSP
Job Location Preference	Job location preferences are NOT entertained	Job location preferences are NOT entertained

2.9 Post-Offer Processes

- **Learners must share their offer letters** with PW Skills upon acceptance.
- Must follow **due process for joining & reporting** to companies.
- **Learners give a consent and agree** their career outcome details, along with their picture, will be posted on PW social media pages
